**There are some websites deceptively similar to the website of FSSAI**

The Food Safety and Standards Authority of India (FSSAI) has observed that there are some websites deceptively similar to the website of FSSAI, whereby Food Business Operators are offered services to obtain License / Registration certificates on payment of certain amount which is normally more than the amount of fee chargeable as per Food Safety and Standards (Licensing and Registrations) Regulations, 2011.

As a result, FSSAI is advising Food Business Operators that while applying for license / registration etc and before submitting personal details, it must be ensured that the Food Safety and Standards Authority of India's official website viz. <https://fssai.gov.in> or <https://foodlicensing.fssai.gov.in> is used.
