Herbalife, a leading global nutrition company, launched its newest skincare line, Herbalife SKIN in India. The Herbalife SKIN line is an all new addition to Herbalife' souter nutrition range of products that balances ingredients, botanicals, and extracts with proven science to achieve maximum daily results to ensure beautiful, healthier and younger-looking skin. Herbalife SKIN consists of 10 unisex products which will be made available in selected markets across India from the middle of October 2014.

Herbalife SKIN products, formulated with an optimum blend of Vitamin B3 and antioxidant Vitamins C and E, and Aloe Vera to get softer, smoother, more radiant skin and diminish fine lines and wrinkles, are created to replenish and rejuvenate the skin with fast results.

Commenting on the launch, Ajay Khanna, Vice President and Country head Herbalife International India said, "We are very positive about the launch of our latest inner nutrition portfolio - Herbalife SKIN - to our customers in India. We believe that Herbalife SKIN will stand by its promise made to our customers to achieve the desired results. We are confident in building a strong portfolio within the range of our outer nutrition products."

The Herbalife SKIN line is comprised of 10 new products, which include a Soothing Aloe Cleanser, Polishing Citrus Cleanser, Energizing Herbal Toner, Line Minimizing Serum, Firming Eye Gel, Hydrating Eye Cream, Daily Glow Moisturizer, Replenishing Night Cream, Instant Reveal Berry Scrub and Purifying Mint Clay Mask. Made with fruit extracts, essential oils, plant enzymes, chamomile, and antioxidant vitamins, the SKIN line is unisex and is suitable for all skin types, with the exception of two cleansers: Soothing Aloe Cleanser for normal to dry skin, and Polishing Citrus Cleanser for normal to oily skin.

The Herbalife SKIN offers three skin care programs – Basic, Advanced or Ultimate – which combine products from the range to address specific skin care concerns and deliver tailored results to consumers.
