The company will work with government to donate through government agency

Biscuits major Parle Products has announced that it will donate three crore packs of biscuits in the next three weeks, specially to the needy people through government agencies as the country is going for a 21-day lockdown due to coronavirus pandemic.

The company said its manufacturing units are functioning with 50 per cent of workforce keeping with government advisories to curb escalation of the coronavirus outbreak, but it is working to ensure that sufficient quantity of its products are available in the market.

The company will work with government to donate through government agency three crore packs of biscuits, one crore each in the next three weeks specially for people in need.

The factories of the company and third-party vendors are working with an average of 50 workforce to ensure sufficient quantity in the market.
