Immunity Kadha helps in boosting immunity

Kolkata based SastaSundar.com is an innovative information and knowledge-based web portal that helps people on their path to wellness. It has recently launched the immunity bundle that features a range of immunity-boosting products.

The immunity-boosting pack consists of a Golden milk mixture, Giloy powder, Steam Inhaler and Immunity Kadha. The product range starts from Rs 89 and goes up to Rs 179.

Golden milk mixture has antioxidant and antimicrobial agents that helps in effective purifying of blood. The drink is best suggested with warm milk.

Giloy powder is effective in combating respiratory ailments and even helps in managing diabetes.

Steam Inhaler helps in draining the sinus and clearing the nasal passages. Immunity Kadha helps in boosting immunity.

SastaSundar.com is a digital platform that has enhanced its portfolio to meet the growing demand for immunity building health.
