Launches single herb vegetarian capsules range for overall health & well-being

Gujarat based Vasu Healthcare has launched herbal supplements range – Vasu Safe Herbs. The launch will strengthen the company's existing immunity & preventive care range aimed at promoting overall health & well-being while boosting immunity, energy, stamina to fight infection, allergy naturally!

Company has launched six capsules (Single Herb Vegetarian Capsules) under Safe Herbs - Holy Basil, Amalaki, Moringa, Ashwagandha, Guduchi, Turmeric etc and is planning to expand the offering in the near future.

Vasu Safe Herbs are 100% vegetarian capsules and prepared using standardized Herbal Extracts for consistent quality and efficacy and 0% Gluten, Lactose, Color, Flavor & Preservatives free.

Vasu Safe Herbs covers various health benefits of traditionally-proven herbs aimed at fulfilling the daily health needs and thereby restoring wellness and good health.

Vasu Safe Herbs will be available in domestic markets and all leading e-commerce portals including Flipkart, 1mg, Netmeds and its own store https://www.vasustore.com/. Company will also export the same through its distributors in regions like EUROPE, ASEAN, CIS, MENA, and Latin America.

Speaking on the launch, Hardik Ukani, Managing Director, Vasu Healthcare Pvt Ltd, said, "Awareness and acceptance of Herbal & Ayurvedic solutions has picked up a great deal globally post Covid. For healthy living, the physical & mental well-being of an individual is inevitable, which is hampered in these times, leading to lifestyle disorders. To maintain well-being, Vasu Healthcare has come up with an entire range of single-herb capsules under the umbrella of – "Vasu Safe Herbs". In the coming time, the company is planning to launch more products in the Vasu Safe Herbs – Arjuna, Guggul, Neem, Garcinia & Brahmi."
