This immunity kit contains three herbal formulations having multiple benefits, and also protects from any viral infection

Ayushakti, based in Mumbai, has launched Breathe Easy Immunity Kit for post-covid recovery. The kit contains three herbal formulations containing 100 per cent natural ingredients to strengthen one’s lung and respiratory system.

The immunity kit contains one pack of Swasavin Asthaloc which helps in effective relief from heavy breathlessness, chest congestions, and wheezing. It strengthens respiratory functions and reduces inflammations of respiratory channels. The kit also has two packs of Swasavin D-Vyro that acts as a strong immunomodulator with herbal extracts. There is one bottle of Swasavin Kaphano (Syrup) which helps in relieving throat infection, allergic cough, chest congestions, nose block, sinus condition, and cold.

All the herbal medicines of the Breathe Easy Immunity Kit are formulated using Ayurvedic herbal extracts such as Giloy, Madhuyashti, Kalmegh, Shatavari Pomegranate peel, Tulsi, Kutaj, Shunti, amongst others. All these herbs are proven to have anti-viral, anti-inflammatory, and immunity-boosting properties. The kit is priced at Rs. 1100 and is available across all Ayushakti health centers, their official website and selected Ayurved Bhandars across Mumbai.

Speaking on the launch of Breathe Easy Immunity Kit, Dr. Smita Pankaj Naram, Co-Founder of Ayushakti, said, “We are extremely glad to launch this Breathe Easy Immunity Kit to offer ayurvedic solutions in Covid recovered patients. Covid19 has been leaving many individuals with respiratory concerns and breathlessness and this kit is our way of offering a holistic Ayurveda solution to treat them easily.”
