Metromedi has collaborated with V3 digitals for the latest web technologies SEO, SEM and SMO

Hyderabad-based MetroMedi is launching Metromedi Relief programme for online counselling especially psychologists, therapists, andrologists, endocrinologists, diabetes specialists, nutritionists etc.

"Metromedi also plans to deliver the nutraceuticals, herbal, ayurvedic and personal care products to their customer base on their demand and has tied up with Lifespan India to serve their customers," states Vaddi Satyanarayana - Chief Growth Officer - Metromedi.com.

Metromedi has collaborated with V3 digitals for the latest web technologies SEO, SEM and SMO to strengthen the website more organically in pan India.

Satyanarayana adds, “This Metromedi Relief programme helps customers to select the best medication for their specific needs. We believe that everyone deserves access to personalised, non-judgmental mental health care. Improving access to high-quality mental healthcare for health plans. Our coordinated care model enables us to provide integrative, comprehensive care for our patients which leads to significant improvement in clinical outcomes.”
