The store further extends its farm to table offering with the widest assortment of farm grown residue free produce

Bengaluru based ‘Namdhari’s Group’ has announced their latest retail store in the city at Salarpuria Galleria building, Hebbal. The latest store is spread across 10,000 square feet offering a wide variety of residue free and safe to consume exotic fruits and self - grown vegetables, single origin dairy products, residue free staples and simpli good food through their live kitchen. Simpli Namdhari’s is the only 100% vegetarian omnichannel retailer in India with a farm to table concept.

"Over the next 5 years, Namdhari’s Group has significant investments planned in the state for additional production facilities, R&D and retail outlets. Our aim is to make quality produce available across the country and the journey has started well with its supplies to fresh and processed vegetables to the Quick Service Restaurants (QSR’s) across South India." said Gurmukh Roopra, CEO, Namdhari’s Group.

Namdhari’s has established it’s presence as a significant player in quality seeds for international and domestic markets, fresh fruits and vegetables for exports.
