As a result of this partnership, Sosyo Hajoori Beverages will be introduced into an entirely new sector.

Sosyo Hajoori Beverages, a brand with a 100-year history in the beverage sector, has joined Orangutan Gaming as their beverage partner.

As a result of this partnership, Sosyo Hajoori Beverages will be introduced into an entirely new sector. As the Official Refreshment Partner of RCB for T20 Cricket Season, they have already taken significant efforts towards success in sports. This new partnership represents the development of a 100-year-old brand into a rapidly growing and innovative industry.

Both organisations hope to break out of their comfort zones and reach a new market as a result of this collaboration. The organisations have announced this partnership on their online as well as offline channels.
