Expands its range by introducing 3 new summer flavours

Pune-based NIC Honestly Natural Ice Cream has launched three new exclusive special summer flavours that will be sold nationwide. The limited collection, which is set to arrive at every location this season, includes Belgian Chocolate, Chikoo, and Jackfruit.

Available in major retailers and online platforms nationwide, these new creations include a rich, creamy and delicious taste as they use only 100% natural ingredients and pure milk in all of their products along with no artificial flavours, colours or preservatives.

Speaking about the newly launched flavours, Sanjiv Indar Shah, Director, Walko Food Company, said, “We look at major trends and what consumers want in their treats when developing new flavours to guarantee that we're introducing creative tastes and growing the diversity of flavours and perks that our fans will enjoy. In addition, by the end of this month, we plan to launch Spicy Guava, Lychee, and Kala Jamun.”
