Aiming to expand in the near future and further launch products in various variants

Muscle & Strength India, New Delhi-based retailer of fitness supplements & nutritional products, has launched its store in Patna, Bihar. Renowned Fitness Model and Influencer Mohmmad Iqbal and renowned celebrity fitness trainer Mayank Pawar inaugurated the store located at Danapur, Patna. Muscle & Strength India is now looking to expand aggressively in East India market through franchisee route as it seeks to deepen its presence in India's growing nutritional supplement space.

Muscle and Strength India, which currently has 22 stores spread across multiple cities, has the widest range with over 1000 fitness supplements and nutrition products from 42+ brands. These products are used for athletic performance, fitness and overall wellness.

The company offers a comprehensive range of genuine high-quality fitness supplements and nutritional products across categories such as proteins, vitamins, minerals and herbal supplements etc manufactured by international fitness brands under a single roof.
