14 of the companies are listed on Indian or international stock exchanges

The Access to Nutrition Initiative (ATNI), a global independent non-profit organisation dedicated to catalyzing market transformation for enhanced access to nutrition, hosts a multi-stakeholder event to launch its third edition of the India Index, in partnership with Consumer Voice and Confederation of Indian Industry.

The India Index 2023 edition assesses 20 of the largest food and beverage manufacturers in India. 14 of the companies are listed on Indian or international stock exchanges.

Full list of companies assessed:

Adani Wilmar; Agro Tech Foods; Britannia Industries; Coca-Cola India; Dabur India; Gujarat Co-operative Milk Marketing Federation (GCMMF) AMUL; Haldiram's Snacks Private Limited; Hatsun Agro Products; Heritage Foods; Hindustan Unilever; ITC; KMF Nandini (Karnataka Cooperative Milk Producers Federation); Lactalis India; Marico; Mondelez India Foods; Mother Dairy Fruit & Vegetables; Nestlé India; Parle Products; Patanjali Foods; PepsiCo India.
