The Multipower Soft Gelatin Capsules contain Ginseng extract, vital vitamins like vitamins A, B1, B2, B6, B12, C, E, and B3 & minerals like Calcium, Copper, Iodine, Iron, Manganese and zinc that address nutritional deficiencies

Torque Pharma, a leading entity in the pharmaceutical industry, has introduced its Multipower Soft Gelatin Capsules, a Nutraceutical Endowment designed to promote health and well-being. This innovative product combines the advantages of Multivitamins with Calcium, Zinc, Iron, Minerals, and Ginseng. It helps to enhance immunity and energy, catering to daily nutritional requirements.

The Multipower Soft Gelatin Capsules contain Ginseng extract, vital vitamins like vitamins A, B1, B2, B6, B12, C, E, and B3 & minerals like Calcium, Copper, Iodine, Iron, Manganese and zinc that address nutritional deficiencies. These capsules not only help in increasing energy levels and enhancing stamina but also help in bolstering immunity and promoting a healthy and active lifestyle. It further helps in improving concentration and stress management.

Commenting on the launch, Abhay Iqbal Singh Bedi, Director of Torque Pharma said, “We are elated to launch our latest offering, Nutraceutical under the brand ‘Multipower.’ This product signifies our dedication to improving the overall quality of life, transcending the boundaries of mere illness treatment. In addition to delivering essential nutrients like Zinc and Vitamin C, it also contributes to sharpening focus in the day-to-day activities of consumers within today's fast-paced lifestyle. We are eagerly waiting for feedback from our valued customers."

To cater to a wider audience, Multipower Softgel Capsules are reasonably priced at INR 110, providing 10 Capsules in 1 Strip.
