The partnership will deliver recipes from one of Canada’s best restaurants to Goodfood subscribers

Goodfood Market Corp has partnered with iconic East Coast restaurant, The Bicycle Thief, to bring Canadians exclusive meal kits for a limited time only.

As the #1 Canadian Meal Kit Brand, Goodfood delivers farm-fresh ingredients and chef-curated meal kits directly to consumers’ doorsteps, encouraging them to discover new recipes and cuisines. The new partnership with the iconic East Coast restaurant, The Bicycle Thief, further demonstrates the brand's commitment to delivering high-quality meals to consumers, providing them with an elevated dining experience.

Developed in collaboration with The Bicycle Thief’s Executive Chefs and Goodfood’s Head Chef Jordana Rebner, Goodfood subscribers across the country will be able to order the limited-edition Pistachio-Rosemary Crusted Scallops with Beurre Blanc over Lemon Parmesan Pearl Couscous & Green Beans or Creamy Tomato Lobster Linguine with Zesty Pan-Grilled Springtime Asparagus meal-kits as of today.

Offering North American food with an Italian soul, The Bicycle Thief is located in Halifax and was once again listed as one of Canada’s 100 Best Restaurants last year (2023). Now, with easy-to-follow recipe cards and pre-portioned ingredients, Goodfood is giving Canadians the confidence to cook like an east-coast chef and elevate their at-home dining experience.
