Cosmo First bagged the prestigious Forbes Asia Best Under a Billion Companies Awards for its relentless drive for sustainable innovation

Cosmo First, having multiple businesses in Films, Rigids, Petcare, Adhesives, Masterbatches, and Coatings, etc., won two awards for its continuous efforts towards sustainable innovation and staying ahead of the curve. Cosmo First bagged the prestigious Forbes Asia Best Under a Billion Companies Awards for its relentless drive for sustainable innovation. The Indian Flexible Packaging and Folding Carton Association (IFCA) Star Award 2023 was conferred on Cosmo First’s products including Super Barrier BOPP film and High Puncture Resistant BOPP film.

Sharing his thoughts on this recognition, Pankaj Poddar, Group chief executive officer, of Cosmo First said, “We are honoured to be recognised with these two prestigious awards, which indicate our commitment to innovation. At Cosmo First Limited, innovation is ingrained in our daily operations. Our teams constantly push boundaries to pioneer solutions that drive our industry forward in an eco-friendly manner. These awards motivate us to keep raising the bar. Together, we will continue delivering cutting-edge products that responsibly create value.”
