Organic Tattva announced that it will be exhibiting at Gulf Food 2025, which will be held at the Dubai World Trade Centre from February 17 to 21. Gulf Food, a premier global food and beverage exhibition, provides a unique platform for industry leaders, innovators, and

enthusiasts to connect, explore the latest trends in food, and explore new business opportunities globally.

Visitors will be able to examine Organic Tattva's wide range of products at Zabeel Pavilion, Stall S-B12, which includes ready-to-cook meals, organic grains, pulses, spices, and superfoods, all of which are made to the highest standards of quality. As a brand committed to promoting health and sustainability, Organic Tattva continues to expand its presence in the Middle East, catering to the growing demand for wholesome, chemical-free food choices.

Speaking about the participation, Rohit Mehrotra, Co-Founder of Organic Tattva, stated, "We are thrilled to be a part of the Gulf Food 2025 in Dubai, a crucial platform that links us with customers and business leaders from around the globe. We want to highlight the nutritional value, authenticity, and purity of our products as the demand for sustainable and organic food keeps growing, furthering our goal of ensuring that everyone has access to a nutritious diet.”
