The American Mojo contains bold coffee, smooth chocolate, and creamy peanut butter

Cream Stone has unveiled its latest indulgent innovation—American Mojo. The American Mojo contains bold coffee, smooth chocolate, and creamy peanut butter meet crunchy Oreo chunks, roasted almonds, and a silky chocolate drizzle.

"Our goal has always been to create experiences through flavour," said Sheetal Patil, CEO, Cream Stone. “With each launch, we aim to offer something memorable, something that lingers long after the last bite.”
