

## Mlekpól ensures the highest quality and natural taste of products

13 October 2019 | News | By Ankit Kankar

**For years, the company has been an undisputed leader in the Polish dairy industry and one of the twenty largest straw milk processors in Europe**

SM Mlekpól as the first purchaser in Poland exceeded the limit of 1,8 billion litres of purchased milk per year. It is an average of 5 million litres of milk a day, from 10 000 producers, the members of Spółdzielnia

The SM Mlekpól's offer includes: pasteurized and UHT milk, various kinds of cream, fermented drinks, butter, cottage cheese, cream cheese and yellow cheese. In its extended portfolio there are such flagship brands as: Żaciate, Małanka Mrógowska, Milko, Mazurski Smak, Rolmlecz, Biaże.

SM Mlekpól exports more than 30% of its products to Asian, South American, European and Far East countries. Foreign buyers appreciate the quality of products and the stability of cooperation provided by MLEKPÓL.

SM Mlekpól has received many awards and distinctions, including the title of the largest Employer of Podlasie or the Pearl of Polish Economy. For many years, its products have also been awarded Gold Medals in competitions at the Poznań International Fair – Polagra Food.

At the beginning of 2019, the Żaciate brand was placed among the 10 most recognized Polish brands in a study conducted by Havas Polska. April this year welcomed Mlekpól as nominated the 40th in the ranking of 200 largest companies prepared by Wprost.

Another success was the number 1 position for the Żaciate brand in the category of MILK, awarded by consumers in the nationwide survey 'Poles' Favorite Brand 2019', carried out by GfK Polonia for Wiadomości Handlowe. In May 2019, the Mlekpól's products were awarded two Złote Paragony – the prizes arranged by Polski Kupiec. These were given to Mleko Żaciate 3,2% 1 litre and Rolmlecz vanilla cream cheese.

In addition, Polish buyers voted 4 distinctions to Spółdzielnia for its Małanka Mrógowska, Żaciaty natural cream cheese, Żaciaty ekstra butter as well as Żaciaty mix.
